

LAUNCH INTO NEXT YEAR'S MATH

Ascent Math's summer math review and preparation course will prepare students for their next year of math by reviewing last year's most essential topics and getting an invaluable head start on next year's important material.

Who? Rising 6th, 7th, 8th, and 9th grade math students

How? Small groups will work closely with tutors to master material

When? One hour-long session per week for eight weeks in June and July

Cost? \$200 per student for eight sessions

About Us

Ascent Math is run by star DHS math students Noah Covey, Cade Lautenbacher, Sam Mahle, and Nathan Stefanik. We have a deep passion for both learning and teaching math. We have experience tutoring students and have excelled in highly accelerated math paths and competitions.
